An argrent and Stomathic proparation of IRON jurified of Oxygen and Carbon by combustion in Oxfor gen. Sanctioned by the biglast Mideal Authoritisation in Europe and the United States, and pre-cribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compare! with it liepurities of the blood, depression of viral energy, pale and otherwise sickly complexions, indicate its ne essity in planest every conceivable case. Innoxions in all maladies in which it has been tried,

In billions every conceivance case.

In Doxious in all maladies in which it has been tried, it has proved absolutely carative in each of the following complaints viz:

In Debility, Nervous Affections E maintien, Dyspepsia, Consumption, Distributed, Dysentary, Indicinent Consumption, Serobolous, Tuberculosis, Salt Rheem, Mismenstruction, Whites, Chlorosis, Liver Complaints, Chronic Leacaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cuses of General Debility, whether the result of scule disease or of the continued dimination of norvous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an exicut which no description nor written attestation would render credible. Invalids so long bed-ridded as to become forgotten in their own neighborhoods have suddenly reappeared in the busy world as it just returned from protracted travel in a distant bind,—Some very signal instances of this kind are attested of female Sufferers, emaciated victiurs of apparent marssants, subguircous exhaustion, critical changes, and mus. sunguincous exhaustion, critical changes, and that emphasion of nervous and dyspeptic aversion to air and exercise for which the physician has no

Nervous affections of all kinds, and for reasons fa m first to medical men, the operation of this presera-tion of iron must necessarily be salutary, for, unlike the cld exides, it is vigorous y tonic, without being ex-citing a doverheating; and gently, regularly aperient even in the most obstinate cases of o strenges without ever being a gastric purgative, or indicating a disagree-

It is this latter property, among others, which makes it so tempt ably effectual and permanent a reme dy for Poles, upon which it lakes appears to exert a specific etten, by dispersing the local tendency which terrest them.

forms them
In Dispersia, Innumerable as are its cruses, a single
by x of these Chalybeate Pills has often sufficed for the
most habitual cases, no uding the habitual Costiveness.
In unchecked Diarrhou, even when advanced to
Dysentary, confirme t, emaciating, and apparently maignant, the cff ets have been equally decisive and aston

ishing.
In the local pains, loss of fiesh and strength, debil tating cough, and remutant becore, which generally in-dicates Incident Consumption, this remedy has allayed the alarm of friends and physicians, in several very

gratifying and interesting instances.
In Scrotalous Tuberchies at this medicated iron has had far more than the good effect of the most cautions. ly balanced preparations of iodine, without any of their well-known liabilities.

The attention of f-males cannot be too confidently

fivited to this remedy and restorative, in the cases pe culiarly affecting them.
In Recumstion, both chronic and inflammatory—in the latter, however, more decidedly- it has been in-variably well rejorted, both as alleviating pain and reducing the swellings and suffness of the joints and

In Intermittant Fevers it must necessarily be a great

In Intermittant Fevers it must necessarily be a great remedy and chergetic, and its progress in the new set thements of the West, will probably be one of high renewn and usefulness.

No temody has ever be noticovered in the whole history of melicine, which exerts such prompt, that dully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and chertual exercise immediately follow is use.

Future in health the metal hoxes containing 50 miles

distery follow is use.

Fut up in near that me'all boxes containing 50 pills, price 50 cents per box: for sale by danggists and dealers. Will be sent free to any address on receipt of the price

### MRS. WILSON'S HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and \$1 for quart bottles. The quart bottles are much the

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliaand well known people. Missus Henry P. Witson & Co...My wife is now siting you a Regenerator for the hair, and pronounces it are upon ir to anything she ever used for the hair. It is

asily applied does not wall in the least—has no disagree-thle ador, increases the growth of hair, prevents it fall-ng off, and often cures the headache. I forward you his certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. Respectfulln. &c.,

Bey. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very much." Rev Gko. W Woodish, Hartford, Ct. "I unbesitatingly pronounce it on invaluable artiele from the effect on my own head."
S. A. H.L., wife of Rev. Henry Bill, Manchester, N. H. " It rendered my hair soft and glassy "

MINOT FARRAR, Saratoga Springs, N. Y. "I feel confident that it operates not as a dye, but to restore the roots to their natural healthy state." REV E. M. KELLOG, Nashua, N. H. " I most cheerfully recommend it to all persons." REV C. RUSSELL, Lattleton, N. H.

Massas, Hanky P. Wilson & Co : I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenera-tor and Hair Pressing are the best hair preparations now in use. I shall continue to use them with pleasure. REV. H. H. HARTWELL, Lawrence, Mass.

Messus, Hesey P. Wuson & Co.: I have used your Ita'r Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dendruft, or a disagreeable label. behing of the head or hamors, or to those whose hair is falling from the head.

Rev. G. W. H. CLARK, Great Falls, N. H.

Massas Hexay P. Wilson & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, care entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.

REV. HENKY 1111-L, Menchester, N. H.

### MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 ets. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracis, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and becauty.

Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

Manufactured and sold at wholesale by Henry P. Wilson & Co., Manchester, N. II., to whom all letters should L. F. PIERCE,

MONTPELIER, VT

NEW AMERICAN CYCLOPÆDIA a dictionary of general knowledge

GEO. RIPLEY & CHAS. A. DANY. To be completed in 6 volumes, royal octavo, large size couble solums. Vols 1 to 10 are ready and a successive volume will be issued every 0 recto four months. Price in Cloth, \$3: Shrep Library Style, \$350; Hal Morooce, \$4; Half Russis, \$450, each, PLAN OF THE CYCLOPÆDIA.

PLAN OF THE CYCLOPÆDIA.

The New American Cyclopaedia presents a panoramie view of all humark nowledge, as it exists at the present moment if embraces and popularizes every subject that can be thought of. In its successive rolumes is contained an inexhaustable fund of accurate and prictical information on Art and science, in all their branches, including a echanic Mathematics, Astronomy, Philosophy, Chemistry, and Physiology; on Agriculture of ommerce and Manufacture; on Law, Medicine, and Theorogy; on Biography and History, Geography and Ethnology; on Political Economy, the Tradis, Inventions, Polotles, the Things of Common Life, and General Literature.

tions. Pointles, the Things of Common Life, and General Litera ure.

The Industrial Arts and those branches of Practical Science which have a direct bearing on our every day life such as Domestic Economy. Ventifation, the illesting of Houses, Diet, &c., are treated with the thoroughness which their great importance as mands. Technical terms are here, as fir as possible, avoided, but all the information given may be practically understood and applied.

proflet.
The department of Biography is full and complete, The department of Hography is 1011 and complete, embracing the lives of allemment persons, ancient and modern. In American biography, particularly, great pains have teen taken to present themost comprehensive are accurate record that have t been aftempted Special attention is called to a new and invaluable feature in this department; not only are the lives of the distinguished dead furnished, but also those of the living celebraics of cur own and other countries, prepared by writers who, from personal acquaintance of special search, are most competent to do them unbiased jus-

tice.
In History, the New American Cyclopaedla vies on mere catalogue of barren dates; but a copious and spirated narrative, under their appropriate heads, of the trincipal events in the annals of the world. So in GeograPhy, it not only serves as a general Gazetteer, but it lives interesting descriptions of the principal localities mentioned, derived from books of travel and other tresh and suthentic sources.

As for a live consistent with thoroughness of research

As far ax is consistent with thoroughness of research and exactness of states ent, the popular method has been pursued. The wants of the peoule in a work of this kind have been carefully kept in view throughout. By condensation and b evity, the editors have been cuable I to introduce a much greater variety of subjects than is usually found in similar works, and thus to ensure the value of the New American Cyclopa (dia as a

than is usually found in similar works, and thus to entrance the value of the Nev American Cyclopa cdia as a magnal of unive sal reference.

It is hardly necessly to add that throughout the whole perfect farmess to all sections of country, local institutions, public men, political creeds, and religious denominations, has been a sacred principle and leading aim. Nothing that can be construed in o an invulious or often-ive a busen has been among the resulting aim. Nothing that can be construed in o an invulious or often-ive a busen has been our motio.

I UR UBSCRIPTION LIST
Alree dy number Fiftens Thousand names, from every section of the country, which evidences the universal popularity of the NATIOSAL WORK.

I HE NEW AMERICAN CYCLOPEDIA

Is soll exclusively by subscription, and Acents have been appointed for amost all sections of the U ion—In case, however, Agents are not to be found, we will receive subscriptions, and forward copies of the work, free of expense, on receipt of the price. Fersons at a distance may send money for one or more volumes at a time, it not being also says to take the whole ten volumes at one, a class there fiel incline i to do so. Those living in the city will find a subscription book at our store, where their cames will be entered and the volumes, as published, send one proof the city.
